

Therapy (unusual & regimes)

©2000, Derm Facts

alpha methyldopa	Raynaud's s.
aluminum chloride	Hailey-Hailey d.
aminocaproic acid	angioedema
amphotericin B	mucocutaneous leishmaniasis
anthralin	alopecia areata
antidepressants	chronic urticaria (doxepin), paroxysmal pruritus, pruritus vulvae
antimalarials	dermatomyositis, hydroa vacciniforme, inflammatory morphea, PMLE, reticular erythematous mucinosis, solar urticaria,
aspirin	atrophie blanche, Degos' d., erythromelalgia, Kawasaki's d., polyarteritis nodosa
azathioprine	dermatomyositis, erythroderma, immunobullous disease, LE, leukocytoclastic vasculitis, livedo reticularis, pemphigus, persistent light reaction, PRP, PSS, pyoderma gangrenosum
azelic acid	acne
benzodiazepines	causalgia
β-carotene	DLE, erythropoietic protoporphyria
bleomycin	genital warts, keratoacanthoma
calcium gluconate	periungual chemical burns
cantharidin	molluscum, verrucae
capsaicin	post-herpetic neuralgia, pruritus
carbachol	Chediak-Higashi s.
carmustine (BCNU)	lymphomatoid papulosis, mycosis fungoides
charcoal	erythrocytic porphyria, pruritus of renal dialysis
chlorambucil	mucinoses
chloripramine	trichotillomania
chloroquine	PCT, REM s.
cholestyramine	biliary pruritus, circumileostomy eczema, PCT, primary biliary cirrhosis
cimetidine	chronic mucocutaneous candidiasis, Kaposi's sarcoma
clindamycin	Fox-Fordyce d., rosacea, vulvovaginal LP
clofazimine	DLE, pyoderma gangrenosum, Sweet's s.
clonidine	hyperhidrosis
colchicine	amyloidosis, aphthae, Behçet's disease, EBA, erythema nodosum, familial Mediterranean fever, idiopathic thrombocytopenic purpura, leukocytoclastic vasculitis, nodular vasculitis, palmoplantar pustular psoriasis, PG, pustular psoriasis, Sweet's s.
cyclophosphamide	allergic granulomatosis, dermatomyositis, erythroderma, immunobullous disease, leukocytoclastic vasculitis, mucinoses, pemphigus, polyarteritis nodosa, PSS, Wegener's granulomatosis
cyclosporin A	aphthous ulcers, atopic dermatitis, alopecia areata, Behçet's disease, dermatomyositis, EBA, erosive LP, generalized granuloma annulare, GVHD, pemphigus, pompholyx, psoriasis, pustulosis palmaris et plantaris, pyoderma gangrenosum, Reiter's s., scleroderma, urticaria/angioedema
cyproheptadine	acanthosis nigricans, acne, carcinoid s., cold urticaria
DMSO	lipoid proteinosis, primary amyloidosis, Raynaud's ulceration
dacarbazine	KS, melanoma
danazol	acne, angioedema, idiopathic thrombocytopenic purpura, premenstrual exacerbation of SLE, urticaria
dapsone	acropustulosis of infancy, acne conglobata, acne fulminans, actinomyces, alopecia mucinosa, alpha 1 antitrypsin deficiency panniculitis, benign mucosal pemphigoid, brown recluse spider bites, bullous LE, bullous pemphigoid (young patients), chronic bullous disease of childhood, cicatricial pemphigoid, dermatitis herpetiformis , EED, GA, granuloma faciale, Hailey-Hailey d., Henoch-Schönlein purpura, LP/LE overlap, leishmaniasis, leprosy, leukocytoclastic vasculitis, linear IgA d., lymphomatoid papulosis, palmoplantar pustular psoriasis, pemphigus foliaceus, pemphigus vulgaris, pyoderma gangrenosum, relapsing polychondritis, SCLE, urticarial vasculitis
dexamethasone	hirsutism
dibutyl ester	alopecia areata

dilantin	DEB, JEB, glucagonoma, morphea
diltiazem	hyperhidrosis
dinitrochlorobenzene	alopecia areata
diphencyprone	alopecia areata
disodium cromoglycate	mastocytosis (relief of GI, skin & CNS symptoms)
disulfiram	nickel sensitivity
DMSO	hereditary localized pruritus
doxycycline	bullous pemphigoid
epinephrine	angioedema, mastocytosis
estrogens	hereditary hemorrhagic telangiectasia, rosacea
etoposide	Langerhan's cell histiocytosis
etretinate	keratoacanthoma, LP, PRP, psoriasis, pustular psoriasis, pustulosis palmaris et plantaris
evening primrose oil	atopic dermatitis
finasteride	androgenetic alopecia, hirsutism
fluoxetine	skin picking
flutamide	hirsutism
5-fluorouracil	actinic keratoses, basal cell epithelioma (superficial), condyloma, erythroplasia of Queyrat, KA (IL and topically), Paget's d., verrucae
fotemustine	melanoma
gentamicin	protothecosis
gold	DLE (Auranofin), pemphigus, psoriatic arthritis
grenz ray	lichen simplex chronicus
guanethidine	Raynaud's d.
hydroxychloroquine	DLE, PCT, REM s., subacute LE
IFN- α	episodic angioedema, hypereosinophilic s.
IFN- γ	atopic dermatitis
indomethacin	Reiter's s.
interferon (α & γ)	basal cell epithelioma, BCC, SCC, warts (genital), vulvodynia
isotretinoin	Darier's disease, DLE, ichthyoses, mucinoses, PRP, psoriasis (pustular, erythrodermic)
itraconazole	protothecosis
ketanserlin	Raynaud's phenomenon
ketotifen	physical urticaria
KI	Sweet's s., erythema nodosum, subacute nodular migratory panniculitis, granuloma annulare, nodular vasculitis, blastomycosis, zygomycosis
levamisole	LP, SLE
masoprocol	actinic keratoses
melfalan	papular mucinoses, primary systemic amyloidosis
mercury	yellow oxide of mercury for eyelash pediculosis
metronidazole	acute necrotizing gingivitis, anaerobic infection of leg ulcers, rosacea
methotrexate	dermatomyositis, erythroderma, Hailey-Hailey d., immunobullous disease, keloids, keratoacanthoma, lymphomatoid papulosis, multicentric histiocytosis, Norwegian scabies (crusted), PLEVA, PRP, psoriasis
minoxidil	alopecia areata
niacinamide	bullous pemphigoid, granuloma annulare, Hartnup d.
nifedipine	Raynaud's s.
nitrogen mustard	CTCL
OCPs	acne, hirsutism
papaverine	atopic dermatitis
pentoxifylline	atrophie blanche, CNCH, leukocytoclastic vasculitis, livedo reticularis, PLEVA, Raynaud's s.
phlebotomy	PCT

photopheresis	CTCL, cutaneous sclerosis, GVH d.
pimozide	acarophobia, acne excor—e, dermatitis artefacta, delusion of parasitosis, monosynaptic hypochondriasis, onychotillomania, orodynia, total lipodystrophy
plasmapheresis	mucinoses, pemphigus
podofilox	condyloma
praziquantel	cysticercosis, schistosomiasis
prazosin	Raynaud's phenomenon
prolixin	acarophobia
propylene glycol	2:1 mixture with water for softening calluses/corns
psoralen + UVA PUVA	allergic contact dermatitis, alopecia areata, alopecia mucinosa, atopic dermatitis, CTCL, erythropoietic protoporphyria, granuloma annulare, Grover's d., GVH d., hydroa vacciniforme, LP, mastocytosis, morphea, persistent light reactor, pityriasis lichenoides chronica, lymphomatoid papulosis, parapsoriasis, pityriasis lichenoides, PLEVA, PMLE, polycythemia vera, pompholyx, PRP, psoriasis, pustulosis palmaris et plantaris, scleroderma, solar urticaria, urticaria pigmentosa, vitiligo
rePUVA	combination systemic retinoids plus PUVA for psoriasis
retinoids	aphthae, BCC, Darier's d., Grover's d., hidradenitis suppurativa, KA, keratodermas, LE, psoriasis, rosacea, SC, XP
spironolactone	acne, hirsutism
squaric acid	alopecia areata
sulfur	scabies (pregnant women & infants <2 months old)
stanozolol	atrophie blanche, cryofibrinogen leg ulcers, cutaneous polyarteritis nodosa, NLD
thalidomide	actinic prurigo, aphthous ulcers (AIDS), chronic GVH, erythema nodosum leprosum, LE, PMLE, uremic pruritus
trimethoprim-sulfamethoxazole	chronic granulomatous d., nocardiosis
testosterone	lichen sclerosis
tetracycline	<i>Vibrio</i> infections, protothecosis
thalidomide	aphthae, Behçet's d., erythema nodosum leprosum, lupus profundus, prurigo nodularis, systemic nodular panniculitis (Weber-Christian)
thiabendazole	seabather's eruption
UVA/UVB	atopic dermatitis, pruritus
vinblastine	Kaposi's sarcoma
vitamin A	acneiform eruptions, acne, corns, Darier's d., Grover's d.
vitamin C	alkaptonuria, Chediak-Higashi s., Ehlers-Danlos type VI, miliaria
vitamin D	psoriasis, parapsoriasis
zinc sulfate	alopecia areata

Disease Therapy

α-1 antitrypsin deficiency panniculitis	dapsone
acanthosis nigricans	cyproheptadine
acarophobia	pimozide, prolixin
acne	azelic acid, cyproterone, danazol, spironolactone, vitamin A
acne conglobata	dapsone
acne excoree	pimozide
acne fulminans	dapsone
acneiform eruptions	vitamin A
acropustulosis of infancy	dapsone
actinomycosis	dapsone
acute necrotizing gingivitis	metronidazole

alkaptonuria	vitamin C
allergic granulomatosis	cyclophosphamide
alopecia areata	anthralin, cyclosporine A, dibutyl ester, dinitrochlorobenzene, diphencyprone, minoxidil, squaric acid, zinc sulfate
alopecia mucinosa	dapsone, psoralens
amyloidosis, primary	DMSO
angioedema	aminocaproic acid, danazol
aphthae	colchicine, thalidomide
atopic dermatitis	evening primrose oil, papaverine, psoralens
atopy	cyclosporine A
atrophie blanche	pentoxifylline, stanozolol, aspirin
Behçet's d.	thalidomide
benign mucosal pemphigoid	dapsone
biliary pruritus	cholestyramine
blastomycosis	KI
brown recluse spider bite	dapsone
bullous LE	dapsone
bullous pemphigoid	dapsone, doxycycline, niacinamide
causalgia	benzodiazepines
Chediak-Higashi s.	carbachol, vitamin C
chronic bullous disease of childhood	dapsone
chronic granulomatous d.	trimethoprim-sulfamethoxazole
chronic mucocutaneous candidiasis	cimetidine
CNCH	pentoxifylline
cold urticaria	cyproheptadine
corns	vitamin A
corns/calluses	propylene glycol
cryofibrinogen leg ulcers	stanozolol
cutaneous polyarteritis nodosa	stanozolol
cysticercosis	praziquantel
Darier's d.	dermabrasion, laser, oral retinoids, oral vitamin A
DEB	dilantin
Dego's d.	aspirin
dermatitis artefacta	pimozide
dermatitis herpetiformis	dapsone
dermatomyositis	antimalarials, azathioprine, cyclophosphamide, methotrexate
DLE	beta-carotene, clofazimine, hydroxychloroquine, isotretinoin, gold
eczema, circumileostomy	cholestyramine
EED	dapsone
Ehlers-Danlos type VI	vitamin C
entomophthoromycosis	KI
erythema nodosum	colchicine, KI
erythema nodosum leprosum	thalidomide
erythrocytic porphyria	charcoal
erythroderma	azathioprine, cyclophosphamide, methotrexate
erythromelalgia	aspirin
familial Mediterranean	colchicine

fever	
glucagonoma	dilantin
Goeckerman regime	treatment of psoriasis; UV plus crude coal tar
granuloma annulare	dapsone, KI, niacinamide
granuloma annulare, generalized	cyclosporine A
granuloma faciale	dapsone
Grover's d.	PUVA, retinoids (oral), steroids, vitamin A
Hailey-Hailey d.	aluminum chloride hexahydrate 6.25%, dapsone, vitamin E, methotrexate, cyclosporin (topical)
harlequin fetus	oral retinoids
Hartnup d.	niacinamide
Henoch-Schönlein purpura	dapsone
hereditary hemorrhagic telangiectasia	estrogens
hirsutism	dexamethasone, finasteride, flutamide, OCPs, spironolactone
hydroa vacciniiforme	antimalarials
hyperhidrosis	clonidine, diltiazem
idiopathic thrombocytopenic purpura	colchicine, danazol
inflammatory morphea	antimalarials
Ingram treatment	anthralin paste, UV & wraps; psoriasis treatment
JEB	dilantin
Kaposi's sarcoma	cimetidine
Kawasaki's d.	aspirin
keloids	methotrexate
keratoacanthoma	bleomycin, etretinate, 5-fluorouracil, methotrexate
keratoderma	biotin, salicylic acid, retinoids (oral), vitaminD ₃ analog,
LE	azathioprine
leg ulcers, anaerobic infection	metronidazole
leishmaniasis	dapsone
leukocytoclastic vasculitis	colchicine, pentoxifylline
lichen planus	levamisole
lichen planus, lupus erythematosus overlap	dapsone
lichen sclerosis	steroids
lichen simplex chronicus	grenz ray
linear IgA bullous dermatosis	dapsone
livedo reticularis	azathioprine
lupus profundus	thalidomide
lymphomatoid papulosis	carmustine (BCNU), dapsone, methotrexate
mastocytosis	psoralens
miliaria	vitamin C
monosynaptic hypochondriasis	pimozide
morphea	dilantin
mucocutaneous leishmaniasis	amphotericin B

multicentric histiocytosis	methotrexate
mycosis fungoides	carmustine (BCNU)
necrobiosis lipoidica diabetorum	stanazolol
nickel sensitivity	disulfiram
nocardiosis	trimethoprim-sulfamethoxazole
nodular vasculitis	colchicine
Norwegian scabies	methotrexate
onychotillomania	pimozide
orodynia	pimozide
palmoplantar pustular psoriasis	colchicine, dapsone
panniculitis, subacute nodular migratory	KI
parapsoriasis	psoralens, vitamin D
paroxysmal pruritus	amitryptiline
PCT	phlebotomy
pediculosis, eyelash	mercury, petrolatum
pemphigus foliaceus	dapsone
pemphigus vulgaris	dapsone
periungual chemical burns	calcium gluconate
persistent light reactor	azathioprine, psoralens
pityriasis lichenoides chronica	psoralens
PLEVA	methotrexate, pentoxifylline, psoralens
PMLE	antimalarials, psoralens
polyarteritis nodosa	aspirin, cyclophosphamide
polycythemia vera	psoralens
pompholyx	psoralens (PUVA)
premenstrual exacerbation of SLE	danazol
primary biliary cirrhosis	cholestyramine
protothecosis	gentamicin, itraconazole, tetracycline
PRP	azathioprine, etretinate, methotrexate
prurigo nodularis	thalidomide
pruritus	antihistamines, capsaicin, diphenhydramine, doxepin cream, pramoxine HCl
pruritus of renal dialysis	charcoal
pruritus vulvae	amitryptiline
pruritus, hereditary localized	DMSO
psoriasis	cyclosporine A, vitamin D
PSS	azathioprine, cyclophosphamide
pustular psoriasis	colchicine, etretinate
pyoderma gangrenosum	azathioprine, clofazimine, dapsone, mycophenolate mofetil
Raynaud's s.	alpha methyl dopa, nifedipine
Raynaud's ulceration	DMSO
relapsing polychondritis	dapsone
reticular erythematous mucinosis	antimalarials
rosacea	azelaic acid, clonidine, estrogens, metronidazole, retinoids, spironolactone
schistosomiasis	praziquantel

SCLE	dapsone
seabather's eruption	thiobendazole
skin picking	fluoxetine
SLE	levamisole
solar urticaria	antimalarials, psoralens
Sweet's s	KI, colchicine, clofazimine
systemic nodular panniculitis (Webber-Christian)	thalidomide
total lipodystrophy	pimozide
urticaria pigmentosis	psoralens
urticaria, chronic	Doxepin
urticaria, physical	ketotifen
urticarial vasculitis	dapsone
vasculitis, nodular	KI
<i>Vibrio</i> infections	tetracycline
Wegener's granulomatosis	cyclophosphamide
zygomycosis	KI

Herbal Therapy

acne	burdock root, tea tree oil, yellow dock
bruising	arnica, capsaicin, comfrey
burns	aloe vera, calendula
eczema	aloe vera, burdock, chamomile, evening primrose oil, witch hazel
herpes	lemon balm
onychomycosis	tea tree oil
pruritis	capsaicin, chamomile, chickweed
psoriasis	aloe vera, burdock root, capsaicin, milk thistle, red clover, yellow dock
shingle pain	capsaicin
tinea pedis	garlic, tea tree oil
ulcers, wounds	aloe vera, arnica, calendula, comfrey, echinacea, goldenseal, tea tree oil
